The Central Curry School District 1 Board of Directors is sponsoring two additional community engagement sessions for the public to comment on the school district's application for grant funding through the Student Success Act. A significant aspect of the law is to have continuous opportunities to engage the public in conversations to improve our schools.

The next two sessions will be scheduled as follows: Tuesday, March 3, at Riley Creek Elementary School from 5:30 – 7:00 p.m. during the Family Literacy Night, and Tuesday, March 10, at Gold Beach High School from 6:00 – 7:00 p.m. Superintendent Tim Wilson will share the recent polling of priorities related to the district's needs assessment and provide the opportunity to further discuss the options. The areas of the needs assessment include well-rounded education, student health and safety, increasing instructional time and reducing class sizes.

Questions may be directed to the District Office at 541-247-2003, extension 224 or email at [twilson@ccsd.k12.or.us](mailto:twilson@ccsd.k12.or.us).
