Welcome Back to School!
Central Curry School District
2026-2027 School Year

Dear Central Curry School District Families, Students, Staff, and Community Members,

It is my pleasure to welcome you to the 2026-2027 school year. As we open our doors for another year of learning, growth, and opportunity, I want to express my gratitude for the continued support and partnership that make our schools such an important part of this community.

The beginning of a new school year is a time filled with optimism and possibility. It is an opportunity for students to set new goals, explore new interests, build meaningful relationships, and continue their journey toward future success. Whether you are returning to our schools or joining Central Curry School District for the first time, we are excited to have you as part of our school community.

Over the summer, our staff worked diligently to prepare for the year ahead. In addition to planning engaging learning experiences for students, we completed several facility improvements that will benefit our schools for years to come. At Riley Creek Elementary School, families will notice a revamped parking lot designed to improve student safety and create better traffic flow during pick-up and drop-off times. A huge shout out to the PTO. There is new playground equipment in each of the Riley Creek playgrounds due to their fundraising and volunteer work to make it happen. At Gold Beach Junior/ Senior High School, important sewer system improvements were completed to strengthen campus infrastructure and support the long-term needs of our students and staff.

This year also brings an exciting new opportunity through our partnership with Evergreen Virtual Academy. This collaboration expands the educational options available to families by providing a high-quality virtual learning pathway while maintaining a connection to Central Curry School District. We are proud to offer this additional choice as we continue to meet the diverse needs of our students and support their individual paths to success.

At the heart of our work is a commitment to ensuring that every student is known, valued, challenged, and supported. Our teachers, classified staff, administrators, and support teams are dedicated to creating learning environments where students feel safe, connected, and inspired to achieve their full potential. We recognize that student success is built through strong relationships, high expectations, and a shared commitment between schools, families, and the broader community.

Thank you for your trust, partnership, and ongoing support of Central Curry School District. It is an honor to serve this community and to work alongside such dedicated staff, families, and students. I look forward to all we will accomplish together in the year ahead.

Wishing everyone a safe, successful, and rewarding school year.

Sincerely,

Eric Milburn
Superintendent
Central Curry School District
